

15th Annual NACE Race
Sunday, March 14, 2010
Brackenridge Park
San Antonio, Texas

Benefitting the

NACE[™]
 FOUNDATION

REGISTRATION / SPONSORSHIP FORM

This year the NACE Race will celebrate its 15th year! We look forward to seeing all of our runners in San Antonio at CORROSION 2010. This year's event will be held in beautiful Brackenridge Park, a 343 acre outdoor recreation area two miles north of downtown.

Course

This will be a full 5K (3.1 mile) run/walk around the park that is located on the picturesque San Antonio River. The course is a paved path surrounded by a natural canopy of trees. Please be advised that the park is open to the public during the race so other runners may be present. We have Joske Pavilion reserved and there are restrooms nearby. Water will be provided at the starting and finishing lines and at two check-points along the route.

Registration

Please complete the entry form below and return it today! Registrations will be accepted the day of the race, but advanced registration is preferred for planning purposes.

Entry Fee

There is no entry fee to participate in the race, however, sponsorship opportunities are available and donations are appreciated! Please see reverse for a list of sponsorship opportunities and benefits. All proceeds from the race will benefit the NACE Foundation's programs and scholarships, which inspire students and educators to engage in the field of corrosion science and engineering.

Transportation

Bus transportation will be provided to and from the park. The bus will depart from the convention center at 7:00 AM and return around 10:00 AM.

Weather

In March the average maximum daily temperature in Atlanta is 74° F and the average daily minimum is 50° F. There is a monthly average of 1.89" of rainfall in March.

Post Race Celebration

Water, sports drinks and food will be provided after the race and awards will be presented to our race winners.
