

WORKFORCE DEVELOPMENT DONOR FORM

There are many agencies that temporarily assist men and women in the military once they leave the service, but very few help transition them into successful and rewarding civilian jobs once that assistance is gone.

UNEMPLOYMENT FOR VETERANS IS OVER 11% (USA Today)

To address this issue and the growing workforce need in the corrosion profession, NACE Foundation is focusing on "Workforce Development" as its flagship program for 2009-2010. The first phase of the program is geared toward job training and placement for military families.
